family thus suddenly and fearfully bewell known, having been for about forly years prominently engaged as a shipping

### SPANISH BEAUTY.

A correspondent of the Church Union

writes as follows: I had heard very much of the beauty of the truth was not and cannot be told.
Sometimes, heretofore, when standing half entranced before Murillo's pictures. I have wondered whence came his ideal Often have I stopped in utter astonishment at such ravishing beauty. The feapatra. Can it be that such summer evening twilight of repose can ever give place to the dark, stormy night of de-moniac passion? That vice, treachery, falsehood, lurk under that argelic exte-ctor?

The statue of the Venns de Milo, in the Louvre, at Paris, and the statue of the Venus de Medicis, in the Tribune, at Florence, have divided the admiration of the world. They represent two types of womanhood, differing as night and day; the former strong, sensuous, affec-tional, devotional and faithful friend, the constant wife, the devoted mother; the latter, light, volatile, spiritual, brilliant, impulsive. The first typifies the Eng-lish weman, the last the French. A combination of the two constitutes the perfection of womanhood, as found in the Spanish Squora. She is evidently the result of many generations of the Americans generally have quite con-fused and erroneous notions of the the romance, the chivalry, the grand
